Message From Organizers

Dear friends,

The North Zone Association of Cardio Thoracic Anaesthesiologists (NZACTA) is a new regional unit of IACTA and we welcome everyone for this first conference of NZACTA. The purpose of this conference is to provide a platform to discuss issues related to cardiac anaesthesia practice and gain from the expertise of guest speakers. I am sure active participation of all the members will take this association a long way.

Ludhiana is located in central Punjab and is well connected by road and rail. The weather during this time is pleasant although a little cold at night. We shall try our best to make your visit informative & enjoyable one.

Dr. Rajesh Arya
(Organizing Secretary)

Punjab Medical Council has accredited 8 CME hours to this Conference.
